

Year 4 Homework Due in 1st February

Task 1

This week I would like you to get creative! For your homework I would like to make a flower to go on our display board. Try to make it as colourful as possible. You could use paints, pencil crayons, fabric or any materials you have.

Task 2 - Maths

This week we have been continuing our work on fractions. Try to work out the fractions of the amounts of money given. Remember to find a fraction you need to divide the amount of money by how many parts you are sharing it into.

Example

$$\frac{1}{2} \text{ of } 80\text{p} = 40\text{p} \quad (80 \div 2 = 40)$$

$$\frac{1}{4} \text{ of } 80\text{p} = 20\text{p} \quad (80 \div 4 = 20)$$

$$\frac{1}{2} \text{ of } 90\text{p}$$

$$\frac{1}{2} \text{ of } 46\text{p}$$
