

Year 2 Homework to be handed in by Wednesday 11th January

Happy New Year to everyone.

In Year 2 we are starting a new topic this term all about the Vikings. For your homework this week could you use books and or the internet to research what a Viking child looks like (their hair, clothes and facial expressions, are they holding anything-tools etc). We have provided a A4 piece of cartridge paper in your home work diary, we would like you to draw yourself as a Viking! Please make sure it is coloured in neatly and fills the paper, as we would like to put these up on display in the classroom.

Thank you and we can not wait to see them!
