

Year 4 Homework

Due in 20TH July

As this will be your last piece of homework in Year 4, I would like you to think about your best memories from the last year and compile a 'Year 4 Memories' page. I have provided you all with a sheet to fill with your lasting thoughts from your time in Year 4. I will collect all of your sheets and put together a class book which will be a lovely book for me to keep so I can always remember you!

You can include anything! Some ideas:

- School trips
- Performances
- Assemblies
- Your favourite topic
- Embarrassing moments
- What you have achieved.
- Picture/drawing of yourself!

The list is endless!

My suggestion would be to write a draft copy before you go on to your sheet. Enjoy!

You have been a wonderful Year 4 class and a delight to teach!
