

Year 3 Homework
Due in 14th December

Task 1 Art.

With Christmas just around the corner the cold weather is here to stay for a while. For your homework I would like you to create a winter scene! You may produce either a drawing or a model and you can use whatever materials/drawing materials you like.

Be creative and imaginative. There will be a small prize for the best one!

If you are cutting or gluing, make sure that you have an adult to supervise you!

Task 2 - Maths

This week we have been learning how to give accurate directions using the four compass points or up, down, left and right.

For your homework give directions guiding the child to the treasure!
