

Year 3 Homework  
Due in 16<sup>th</sup> February

Task 1 Maths

This week we have been learning how to use multiplication grids. For your homework I would like you to have a go at solving the following multiplications.

I have included an example below of how I would like you to set them out!

$$3 \times 13 = 39$$

	3
10	30
3	9

3 x 12	4 x 11	5 x 13	7 x 11
4 x 14	5 x 16	7 x 17	9 x 19

Task 2 - English

This week we have started to learn all about instructions.

We have been learning about 'bossy verbs' and how they can be used to instruct people.

For your homework I would like you to think of 8 bossy verbs and put each of them into a sentence. I would also like you to underline each bossy verb.

Example:-

Run to the shops and buy me a drink.

Have fun!
