

Year 3 Homework
Due in 25th January

Task 1 Literacy.

This week we have been learning about Jason and the Argonauts as part of our Myths and Legends unit. During the unit we have encountered a number of mythical beasts.

For your homework I would like you to create your own mythical beast! I would like you to draw your beast and also include a description of it being as detailed as you can. What special characteristics does it have? Can it breathe fire or fly perhaps?

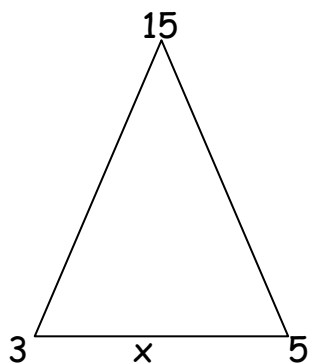

Be imaginative and don't forget to give your beast a name!

Task 2 - Maths

This week we have been learning how to make use Inverse Triangles. For your homework I would like you to have a go at solving the following questions using an inverse triangle for each question.

I have included an example to help you.

$$15 \div 5 = 3$$

$20 \div 5$	$8 \div 2$	$9 \div 3$	$10 \div 2$
$30 \div 10$	$50 \div 5$	$36 \div 6$	$49 \div 7$

Have fun!
