

Year One Homework: Thursday 29th September

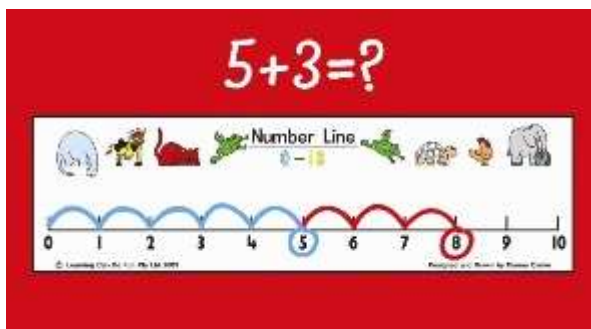

Literacy:

We will be looking at instructions next week. Please can you orally tell someone at home how play your favourite game. Make sure your instructions are clear and in order.

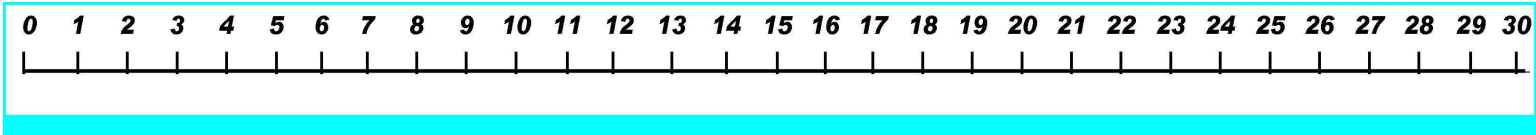

Numeracy:

Please complete these addition sums.

Here is an example:

You can use the number line below to help you.

$5 + 5 =$

$7 + 2 =$

$3 + 8 =$

$10 + 4 =$

$15 + 3 =$

Extension: If you have done these why not make some harder ones to try.
