

Year One Homework: Thursday 10th November

Numeracy: In numeracy we have been looking at subtraction from 10 and 20. Using a number line or some counters could you work out these subtraction number sentences and record in your books:

$10 - 5 =$

$10 - 3 =$

$10 - 9 =$

$10 - 2 =$

$10 - 7 =$

Extension: Try and work out some or all of these using either a number line or counters.

$20 - 2 =$

$20 - 10 =$

$20 - 8 =$

$20 - 5 =$

$20 - 11 =$

$20 - 6 =$

Literacy: In literacy we have been trying hard to write simple sentences with capital letters, full stops and finger spaces. Below is a picture, please could you try to write some super sentences about it. E.g. The bear is brown. She has a green t-shirt.
