

Literacy:

In literacy we have been continuing to try and make our sentences interesting by using adjectives in our sentences. Can you re-write these sentences using some super adjectives?

e.g. The boy is going to the shops.

The tall boy is going to the busy shops.

The ice-cream is in the freezer.

The snow is on the tree.

The football is in the shed.

The cows are in the barn.

Numeracy:

In numeracy we have been trying to work out the missing signs to these number sentences. Use the answer to help you work it out. Remember to use a number line to check if you are right!

$2 ? 6 = 8$

$5 ? 2 = 3$

$10 ? 8 = 2$

$10 ? 3 = 13$

$12 ? 5 = 7$

EXT: Work out the missing number as well as the missing sign. Use the number line to help.

$5 ? _ = 10$

$7 ? _ = 2$

$16 ? _ = 22$

$18 ? _ = 7$
